

Ontario Teachers' Finance Trust

Investor Presentation

May 2026

Disclaimer

The information presented herein, and all accompanying financial information, is proprietary and confidential information of Ontario Teachers' Pension Plan Board ("Ontario Teachers") and is not for distribution beyond the information's direct recipients.

This presentation does not, and does not purport to, contain all information that may be material to an investment decision in respect of securities of Ontario Teachers' or Ontario Teachers' Finance Trust ("OTFT"). It is only a summary of certain information in respect to Ontario Teachers' and OTFT. Prior to making an investment decision, prospective investors should carefully review the offering memorandum pursuant to which any securities of Ontario Teachers' or OTFT are offered. In particular, reference should be made to any risks of any investment in such securities which are disclosed in the offering memorandum and to any applicable statutory rights of rescission or rights to damages available to purchasers of such securities in Canada if so described in such offering memorandum.

This presentation shall not constitute an offer to sell or a solicitation to buy any securities, nor shall there be any sale of any securities in any jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. Any offering of securities will be made pursuant to an offering memorandum. This presentation is not directed at persons located in the United States of America other than to persons that are reasonably believed to be both "qualified institutional buyers" as defined in Rule 144A under the Securities Act of 1933 (the "Securities Act") and "qualified purchasers" as defined in the U.S. Investment Company Act of 1940. Any Ontario Teachers' or OTFT securities offered in the future may not be registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States of America or in any other jurisdiction except in reliance on an exemption from, or in a transaction not subject to, registration requirements. Ontario Teachers' and OTFT do not intend to make a public offering of securities in the United States of America.

Although the information presented in this presentation has been obtained from sources that Ontario Teachers' believes to be reliable, Ontario Teachers' does not make any representation as to its accuracy, validity, timeliness or completeness for any purpose. The information set forth herein does not purport to be complete and Ontario Teachers' is not responsible for errors and/or omissions with respect to the information contained herein.

This presentation includes forward-looking statements. All statements other than statements of historical fact included in this presentation, including, without limitation, those regarding our prospective resources, financial position, business strategy, management plans, management objectives and future operations are forward-looking statements. These forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause our actual resources, reserves, results, performance or achievements to be materially different from those expressed or implied by these forward-looking statements. Historical performance is not a guarantee of future performance. These forward-looking statements are based on numerous assumptions regarding our present and future business operations and strategies and the environment in which we expect to operate in the future.

The information in this presentation, including but not limited to forward-looking statements, applies only as of the date of this presentation and is not intended to give any assurance as to future results. Ontario Teachers' and its advisors expressly disclaim any obligation or undertaking to update or revise the information, including any financial data and forward-looking statements, and will not publicly release any revisions they may make to this presentation that may result from events or circumstances arising after the date of this presentation.

Unless otherwise noted, all amounts stated herein are in Canadian dollars and are approximate, and all amounts are as at December 31, 2025 unless otherwise noted.

Executive Summary

About Ontario Teachers'

- Subject to Ontario legislation.
- Plan participation is mandatory for Ontario public school teachers.
- Fully funded defined benefit plan with benefits linked to Canadian inflation.
- Member contributions (approximately 11% of salary on average) are matched by Government of Ontario (by law), for a total of approximately 22% of salary in contributions.
- A funding valuation is required by law to be filed with the regulatory authorities at least every three years.
- As at January 1, 2026, the plan was fully funded for the 13th straight year with a \$31.2 billion preliminary funding surplus and a funding ratio of 111%.

Our Mission

Deliver outstanding service and retirement security for our members

An Independent Organization

Plan Sponsors

Ontario Government

Ontario Teachers' Federation

Ontario Teachers'

Board Members

Management

Together

- Set contribution rate and benefit levels
- Address funding shortfalls or use of surplus
- Select the board Chair

Individually

- Appoint independent board members (5 each)

Board Members

- Approve appetite for risk
- Oversee investment program and plan administration
- Set actuarial assumptions for funding valuation
- Inform Sponsors of plan's funded status, sustainability

Management

- Day-to-day investment management & plan administration
- Develop and implement strategy, and manage risk

Robust and Independent Pension Funding Process

- Robust funding valuation process that is independent of the Sponsors
- Members and Ontario Government are required to contribute each year and cannot withdraw money without the regulatory approval.

Pension Funding Risk

Funding Management Policy

- The Sponsors have a formal Funding Management Policy in place which guides how surplus can be spent and deficits eliminated.
- Available pension funding levers:
 - Contribution rate increases
 - Conditional Inflation Protection (CIP)

Conditional Inflation Protection¹

- Powerful lever for mitigating funding risks
- Promotes intergenerational equity

CIP as a Stress Resistant

Hypothetical 10% plan deficit ² (C\$bn)	\$24B
Decrease in level of CIP required to eliminate the hypothetical plan deficit	26%
Asset loss capable of being absorbed by fully invoked CIP (C\$ bn)	\$63B

² Hypothetical plan deficit is 10% of assets from the January 1, 2026 actuarial funding valuation, net of the plan surplus.

05. Concluding Remarks

Investment Objectives

- Investment program is designed to meet the needs of the pension liabilities and help achieve stable returns over the long term.
- Diversification through portfolio construction spreads risk across time horizons, asset classes, geographies and sectors.

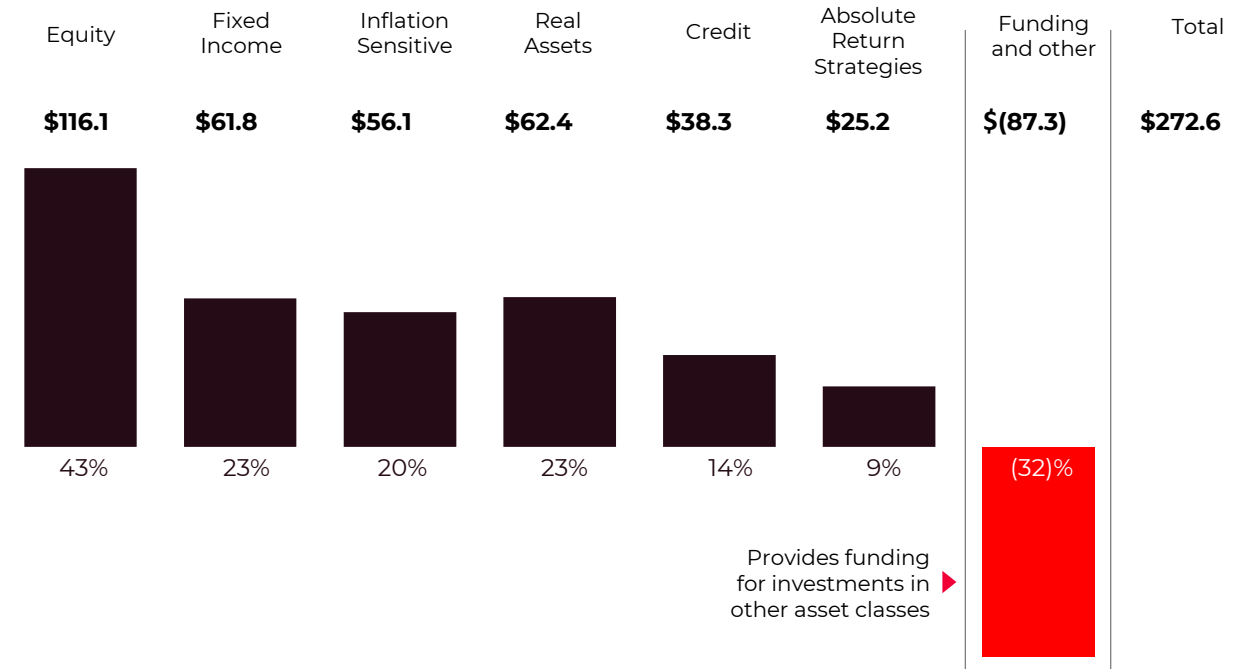

Net Assets

As at Dec 31, 2025 (Canadian \$ billions)

Net Investments by Asset Class

As at Dec 31, 2025 (Canadian \$ billions)

Investment Performance

Stable long-term total-fund returns

- Total-fund net return in 2025 was **6.7%** driven by strong performance across venture growth, public equity, inflation-sensitive, and credit asset classes.
- The Plan continues to deliver strong long-term returns of **6.8%** over ten years and **9.2%** since inception in 1990 as at December 31, 2025.

as at Dec 31, 2025	2025	5-Year	10-Year	Since Inception
Total-Fund Net Return	6.7%	6.6%	6.8%	9.2%
Benchmark Return	11.7%	8.8%	7.9%	8.0%
Return Above (or Below) Benchmark	(5.0)%	(2.2)%	(1.1)%	1.2%

Numbers may not add up due to rounding.

Pension Funding Sources since 1990

¹ Please note that the additional 0.8% from employer contributions (compared to the member contributions) includes original plan deficit funding and contributions related to conditional inflation protection in accordance with the terms of the Teachers' Pension Act and the Plan.

Investment Management Risk

Risk Governance

- Risk appetite approved by board coupled with Enterprise Risk Framework.
- Independent risk function reporting directly to CEO and board.
- Risk management is about having a strong culture of risk awareness and accountability throughout the organization.
- Comprehensive board and management level policies, limits and reporting.

Risk Measurement

Risk is assessed and monitored regularly; some key risk dimensions include:

- **Market and Credit Risk** is measured and monitored daily using enterprise risk system and monitors the active and asset risk usage relative to budgets.
- **Liquidity Risk** is measured through Liquidity Coverage Ratio framework.
- **Counterparty Credit Risk** is measured through internal scoring and a framework of potential future exposure.

02. Investment Management
- 03. Sustainable Investing**
04. Investment Funding Strategy
05. Concluding Remarks

Sustainable Investing

We believe that sustainable investing can support long-term, sustainable value creation or value protection and help deliver strong, higher risk-adjusted returns to help pay pensions.

Our 2026–2030 climate strategy is designed to build climate resilience, capture investment opportunities created by the energy transition, and make a real-world impact¹

A 2030 target of

\$70 billion

in Climate Transition Aligned (“CTA”) private investments, approximately doubling from current levels.

Our CTA Framework is endorsed by

Climate Bonds INITIATIVE

Accelerating Credible Transition Planning

Working with relevant portfolio companies to develop and advance decarbonization plans that strengthen climate resilience and support long-term business value

Investing in Climate Solutions

Deploying capital into companies that provide products, services or technologies that:

- reduce or remove greenhouse gas emissions,
- help manage exposure to climate-related risks, or
- enable or scale climate solutions

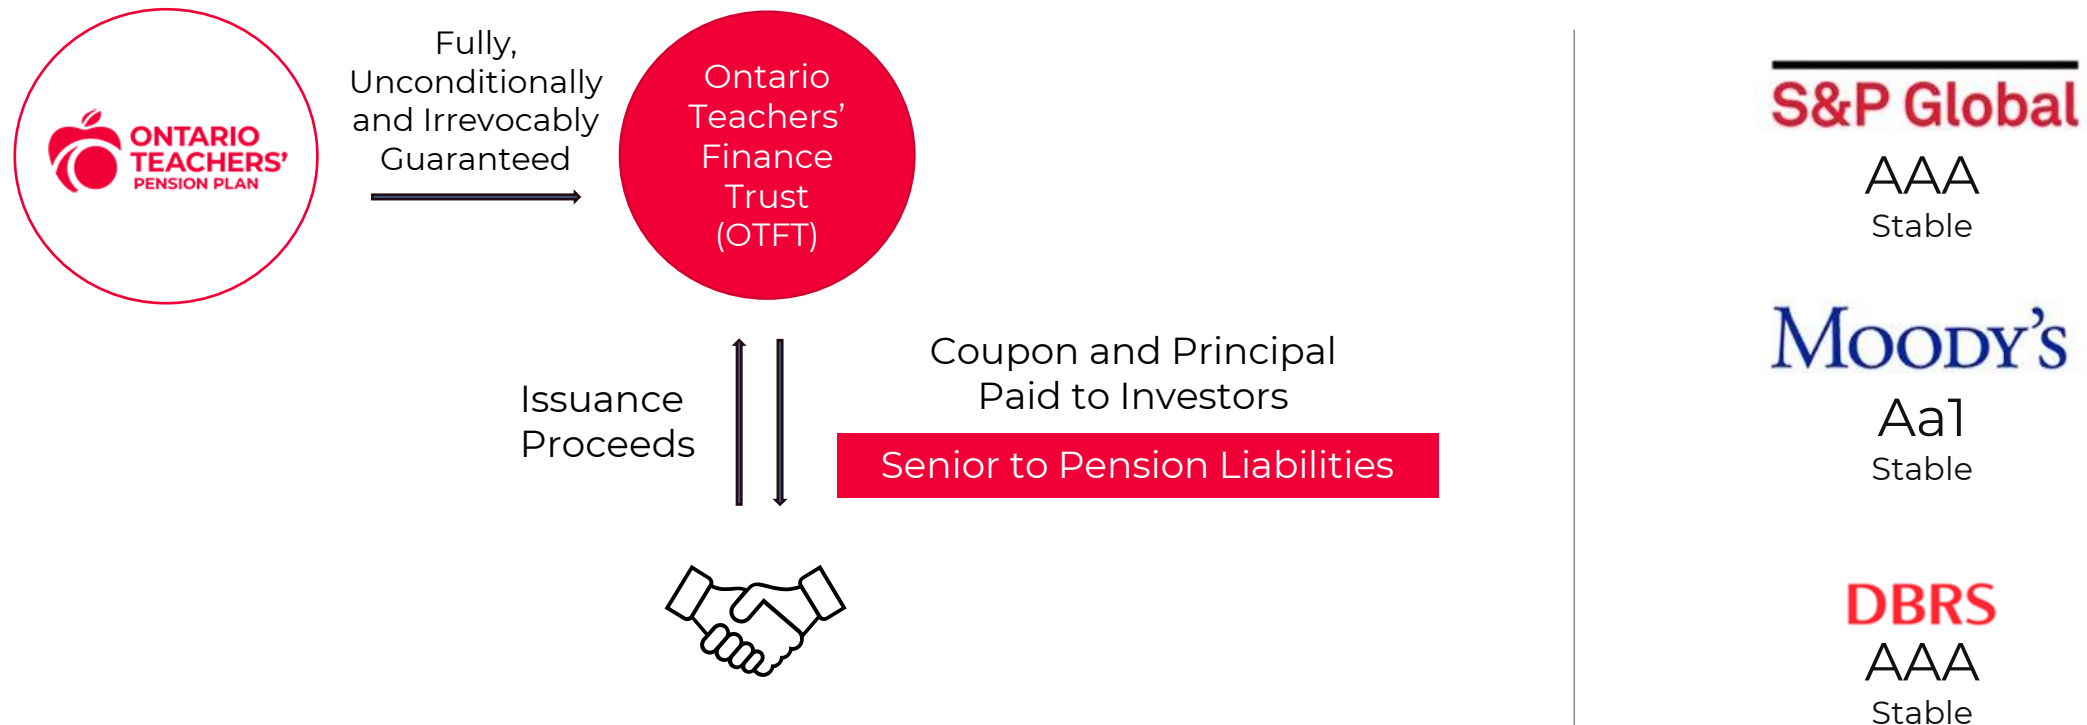

Issuing Green Bonds

We issue green bonds to finance eligible green investments with measurable impact, aligned with our Green Investment Principles and the International Capital Market Association (ICMA) Green Bond Principles

- 04. Investment Funding Strategy**
05. Concluding Remarks

Ontario Teachers' Finance Trust (OTFT)

Debt issued by OTFT is fully, unconditionally and irrevocably guaranteed by Ontario Teachers.'

Creditor Priority – Schedule 1 to the Teachers' Pension Act (Ontario)

Section 118a - "If the pension plan is wound up within the meaning of the *Pension Benefits Act*, the assets of the pension fund shall first be used to pay or satisfy properly incurred liabilities to creditors, following which the remaining assets of the pension fund shall be used to pay or satisfy the accrued benefit entitlements of members..."

Investment Funding Strategy

Leverage is used to achieve desired overall risk-return profile for the investment program and manage total fund liquidity.

A strategic focus on funding serves to:

- Manage the maturity profile
- Diversify across funding sources
- Reduce the overall cost of funding
- Manage the overall currency exposure
